

### FIRST ...

All you have to do is help your children to get up and get ready to meet our bus which comes by your house at \_\_\_\_\_ A.M. Sunday morning.

School clothes or play clothes is fine.

### NO BOREDOM EXISTS IN THE CHILDREN'S CHURCH PROGRAMS ...

After a classroom setting your child is escorted to a general assembly room for a church service planned with their needs, attitudes and abilities in mind.

### NEXT ...

Our courteous bus captain will pick up your children at your door. When the bus arrives at the church your children will be escorted to their classrooms where friendly, competent teachers receive them.

### SPECIAL THINGS FOR BOYS AND GIRLS:

In addition to the exciting programs planned for each Sunday, there are some special days and events throughout the year ... just for children.

(We would consider it a real honor if you would let your children visit with us this Sunday!)

The bus captain will be glad to hear from you and give you all the information you need. Please call him or her at the number listed on the back of this flyer.

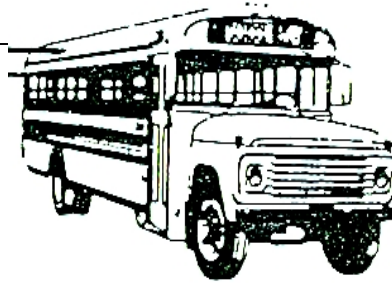

Your children will be instructed in the basic doctrines of the Bible. They will learn about God and man's relationship to Him.

Ample time is given for questions from the students. The children participate in quizzes, do workbook materials and readily become involved in the classroom activities.

Thank you so much.  
Dr. Rick Honea, Th.D., CHT.

## THEN ...

The children are helped back on the bus and driven back to your door. The bus captain will help your children across the street so all are safe. Your bus captain will return the following Saturday to visit your children and ask them to ride the bus again Sunday.
